ナ = a catching hand		
yuè 月 = a piece of meat		
Note: In oracle bone script (甲骨文) and bronze script (金文), the character is depicted as the right hand holding a piece of meat, signifying “to have.” The Small Seal script form (小篆) is essentially the same as that in bronze script (金文). After the transition to Clerical Script (隶书), the Regular Script form (楷书) is written as “有”.
